Celebrating 35

Dear Lion Sandi,

On behalf of the Markham Stouffville Hospital (MSH) Foundation, we would like to sincerely thank the Markham Elite Lions Club for your gift of \$31,000 to support the purchase of new birthing beds at our hospital. Oak Valley Health's MSH is a dynamic community that couldn't exist without the loyal and passionate people at its heart — talented physicians and staff, dedicated volunteers, grateful patients, and generous supporters like you.

This year, the MSH Foundation is celebrating a very special milestone — our hospital's 35<sup>th</sup> anniversary! Once a cornfield, today MSH is one of Ontario's leading community hospitals serving one of Canada's most diverse populations in one of its fastest growing regions. Because of you, expecting parents who rely on MSH can access leading-edge technology and extraordinary patient care, close to home. Government can't fund all the hospital's equipment and top priority needs — it is your support that drives innovation and ensures MSH is able to grow with our community.

As we look towards the next 35 years at MSH, your generous commitment of \$100,000 is a powerful force that will help us dream bigger than ever before. Thank you for believing in our hospital.

With sincere gratitude,

### **MESSAGE FROM MAYOR SCARPITTI**

On behalf of Members of Council and the City of Markham, I am pleased to extend warm greetings to everyone attending the **Markham Elite Lions Club Annual Fundraising Dinner**.

Since its charter in August 2022, the Markham Elite Lions Club has truly embodied its motto, "Born to Serve," by bringing together a passionate group of volunteers dedicated to making a positive and lasting impact in our community. This meaningful contribution will leave a lasting legacy, supporting the care of families and newborns across our community.

Rooted in the Milliken Mills area and closely connected with the Indian community, the Markham Elite Lions Club plays a vital role in strengthening the social fabric of our city. Through service, cultural connection, and community leadership, they reflect the very best of what Markham stands for.

## MARKHAM ELITE LIONS CLUB: A LEGACY OF EXCELLENCE AND SERVICE

Chartered on August 17, 2022, the **Markham Elite Lions Club (MELC)** lives by a powerful motto: "Born to Serve." This ethos guides every project the club undertakes. Consequently, MELC spent the past year addressing vital community needs with selfless dedication.

The club recently achieved a significant milestone in its service journey. Specifically, this marks the third consecutive year that MELC has donated to the Markham Stouffville Hospital Maternity Ward. This ongoing partnership ensures that local families receive exceptional care during their most important moments. By prioritizing maternal health, the club invests directly in the future of our community.

Beyond healthcare, MELC remains a steadfast partner to local food banks. Members worked tirelessly to provide essential provisions to South Asian women's shelters. Furthermore, they supported the Share & Care Food Bank during the difficult winter months. These efforts reflect a deep commitment to food security and human dignity.

Vision care also remains a core pillar of their mission. For instance, the club spearheaded a massive eyeglass donation drive this year. They collected numerous pairs of glasses for global distribution. As a result, many individuals worldwide will gain the gift of clear sight.

MELC also champions environmental sustainability. The team actively leads tree-planting events and park restoration projects. In addition, the club raises significant funds for breast cancer awareness and diabetes research. These diverse initiatives prove that MELC takes a holistic approach to community well-being.

Ultimately, these achievements depend on the unwavering support of sponsors and members. Looking ahead, the Markham Elite Lions Club remains committed to its mission. Through collective effort, they will continue to empower our community and change lives for the better.

# OUR CAUSES - VISION

In Ontario, a staggering 681,000 individuals are affected by varying degrees of vision impairment, encompassing mild to severe cases, as per the Canadian Survey on Disabilities. With a rich legacy of aiding the blind and visually impaired, we are dedicated to upholding this mission as we embark on our next century of service. Our goal is to prevent needless blindness and enhance the quality of life for those who are visually impaired.

## LEARN VISION FACTS

According to CNIB, the leading causes of blindness in Canada are:

Cataracts: 3,541,000 people

Age-related macular degeneration: 1,574,000 people

Glaucoma: 294,600 people

Diabetic Retinopathy: 749,800 people

## DISCOVER MELC INITIATIVE

Our Club collects various types of eyeglasses, including reading, single vision, bifocal, safety, children's, prescription, and non-prescription sunglasses, as well as broken glasses and loose lenses. These are sent to Lions Eyeglass Recycling Centres (LERC) where metals and other components are recovered.

Prepared glasses are then distributed to missions delivering them to those in need worldwide. This year, Markham Elite Lions Club donated approximately 1000 pairs of eyeglasses.

# OUR CAUSES - HUNGER

Hunger in Ontario, Canada, is a pressing issue despite the region's overall prosperity. Many individuals and families struggle to access nutritious and affordable food on a regular basis, leading to food insecurity. Poverty, low wages, high living costs, and systemic barriers exacerbate food insecurity. Vulnerable groups like children, seniors, newcomers, and the homeless are especially affected.

## LEARN HUNGER FACTS

According to PROOF, a household food insecurity research program based at the University of Toronto, 24.2% of households in Ontario experience food insecurity. This latest data translates to approximately 2.34 million people, meaning nearly 1 in 3 children under the age of 18 in the province live in a food-insecure household.

## DISCOVER MELC INITIATIVE

At MELC, we support local food banks like Share and Care by providing essential food items and personal hygiene products. This assistance is crucial, especially now, as families across Canada are facing a 30-year high in food, rent, and gas prices. Currently, MELC is also associated with shelter homes such as South Asian Women Shelter,

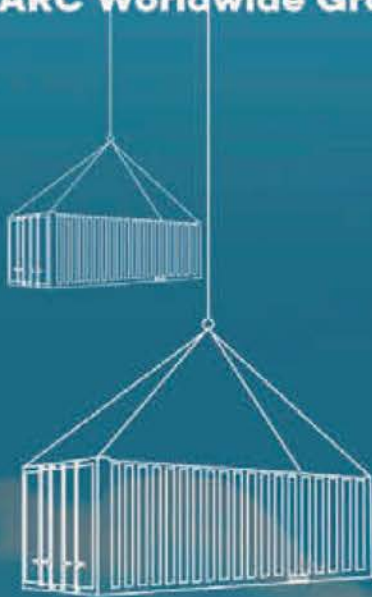

providing them with essential support such as everyday necessary food items, clothing, and bedding. During the winter months, MELC also provides winter clothing and accessories, along with personal hygiene items, to help those in need stay warm and maintain their well-being.

## Being a Lion means making an impact through service

Take a look at how many people Lions have helped all over the world in our global causes and more between July 2021 and June 2022.\*

## THE WORLD NEEDS LIONS LIKE NEVER BEFORE.

For more than a century, Lions have stepped up in their communities — giving, supporting and serving. Each Lion matters to the people who depend on us. And every club is doing their part to make their communities stronger, healthier and kinder places for all.

But as we strive to increase our service and extend our helping hands far and wide, the needs of our communities — and our world — are growing beyond our reach. To ensure we can be there, when and where we're needed, we must also grow.

**That's why Lions are taking action now.**

## THE MORE WE GROW, THE MORE WE CAN GIVE.

More Lions = more service. The equation is simple, but the challenge is bold. **MISSION 1.5** is our drive to reach 1.5 million members worldwide by July 1, 2027. It will help us meet the growing needs of our communities. It will help us serve more people than ever before. And it will help make our clubs, our communities and our service stronger than ever.

**That's why Lions are rising to the challenge.**

## YOU ARE VITAL TO THIS MISSION.

There's never been a challenge too big for Lions. Now is the time for Lions to step up. Now is the time to redefine the future of service. Now is the time to grow. And we all have role to play.

That's why your fellow Lions need you to join the mission.

**Because together, we are unstoppable.**

## THE GOLD STANDARD OF SERVICE: THE CLUB EXCELLENCE AWARD

The Lions Clubs International (LCI) **Club Excellence Award** represents the pinnacle of club performance worldwide. We are proud to announce that the Markham Elite Lions Club was honored with this prestigious award in 2025. This distinction recognizes clubs that exceed global benchmarks in leadership, membership growth, and humanitarian impact. To achieve this, MELC mastered four critical pillars:

**Service Impact:** We successfully completed high-impact projects focused on Hunger, and the Environment.

**Membership Growth:** Through active community engagement, we expanded our club with dedicated new members.

**Leadership Development:** Our officers completed advanced professional training to ensure transparent and effective club management.

**Global Philanthropy:** We exceeded our contribution goals for the Lions Clubs International Foundation (LCIF), supporting humanitarian relief worldwide.

Ultimately, this award confirms that MELC is not just a participant, but a leader in the global mission to serve. Excellence is our foundation; service is our legacy.

**We don't just meet standards; we strive to exceed them. This award reflects our collective dedication to the motto: Born to Serve.**
